

Alyx Autori In The Studio

Description

WOO HOO!

Super amazing day in the studio with **Alyx Autori** from **CopperWimmin**.

She laid down harmonies on [Only Love and This One's For the Angels](#). Totally amazing. We've truly got a choir of angels now with her 3 vocal parts.

I'm still amazed at people who can do that... come up with harmonies on the spot and sing them perfectly. That's definitely one of the musical skills I do NOT have! So glad that others do!

Here's a preview of the rough mix of This One's For the Angels so you can hear her amazing harmonies!

You can listen to the entire [Walk In Beauty Album on the music page](#).
